Youth Pastor Position

New Life Baptist Church is a mission-minded, Independent Baptist Church located in Leesburg, Florida, one hour from Orlando. The church uses the KJV by conviction and sings hymns and very limited southern gospel style music. NLBC runs about 70 in attendance through the summer, and 100+ with snowbirds in the winter. This position is primarily with teens but also includes working with and overseeing the children's ministry. The Pastor will mentor in any areas needed. The Pastor has a strong passion for training children and teens to serve the Lord right now, preparing them for life or ministry. There are many adult helpers in the church that can assist with various activities and a couple who just started working with the teens that can remain to help the youth pastor. The church is working on building staff housing on the church premises. The church prefers this to be a full-time position, but bi-vocational can be discussed.
